"I have seen
Americans making
great and sincere
sacrifice for the key
common good and a
hundred times, I have
noticed that when
need be, they almost
always gave each
other faithful support."

-Alexis de Tocqueville
French Philosopher

Influencers Making Change

Tocqueville members are a generous group of philanthropic leaders who support United Way and our community at a higher level.

Tocqueville givers are often some of our region's most influential business and civic leaders making difference in the lives of people who need it most. Tocqueville members may also be simply generous and wanting to impact our programs.

Inspired by Alexis de Tocqueville, a French political philosopher who famously admired American philanthropy, United Way's Tocqueville Program provides its members with a way to embody that same generous American spirit of our forefathers that Tocqueville complimented nearly 200 years ago.
