

Hometown Hero

While a Hoedown usually means you're being invited to square dance, this one invites you instead to celebrate the announcement of a Hometown Hero who makes all the difference!

Join our United Way of Lake and Sumter Counties in celebrating our Hometown Hero Award Recipient. The National Anthem will be sung, local celebrities presenting awards and raffles, a blue grass band in the background, food trucks and games for the kids, and a hay bale seat for everyone!
